410 & 420 Series Faucets

Style That's **Built To Last**

The 410 and 420 Series

Upgrade any commercial restroom with style that's **durable and affordable.**

The 410 and 420 Series offer an affordable single control option that combines the durability of solid brass construction with the dependability of a time tested ceramic mixing valve.

Unsurpassed Durability

The solid brass, chrome plated body is backed by a lifetime warranty.

Water Savings

Low-flow outlet options to help support water conservation efforts.

Reliable Operation

High quality ceramic discs are tested up to 4.5 million full motions.

Vandal Resistance

Vandal resistant handle and outlet options to withstand the roughest of environments.

Easy Maintenance

Modular construction allows easy servicing of internal components.

Easy Installation

Installs in minutes - just mount the faucet, connect the supplies, and install the outlet.

Single Hole
